

IMPACT REPORT

2020-2021 School Year

During a challenging school year, Communities In Schools provided critical supports for students *in schools*, and *virtually* during campus closures and hybrid learning.

The CIS model is research-based and proven effective at reducing dropout rates and increasing graduation rates

- Manor ISD
- San Marcos

CIS provided \$680,636 in direct assistance to students and families during the 2020-21 school year

CIS leveraged \$8,351,517 in support of school districts during the 2020-21 school year

SURVEY FINDINGS

"My son was virtual all year so he did not interact with other students, but he enjoyed having CIS to talk to, someone that was not his teacher." - Elgin Elementary parent/guardian

n=1,083

97%

of guardians said CIS helped them stay connected to school.

"This year with Covid19, CIS helped me financially by paying my rent and my electricity. They are very supportive of our family." - Uhland Elementary parent/guardian

"My child has problems with his relationship with others. CIS helped him make friends and feel more confident about talking to peers." - Neidig Elementary parent/guardian

n=1,045

98%

of guardians said CIS helped their child do better in school.

98%

of students said CIS helped them feel safe at school

n=3,225

"After a CIS meeting it helps me to focus the rest of the day and helps me know what I have to do." - Wallace Middle School student

"CIS helped me get my grades up." - Goodnight Middle School student

"CIS has been an amazing resource for the kids who need it the most in our school. They have gone above and beyond in every aspect this year."
- Harris Elementary teacher/faculty member

**"CIS is a valuable resource that provides things that teachers and the school at large just cannot do on top of everything else. Our community benefits from someone on campus who can direct people to resources and give resources out."
- Miller Middle School teacher/faculty member**

"CIS helps by making me feel confident and proud of myself. They are nice or supportive."
Student, Bastrop Intermediate School, Bastrop ISD
