DESTINATION HIGHLIGHTS

- **Arusha:** The gateway to Tanzania’s Northern wildlife parks, Arusha is also an eclectic town that melds African and European influences. Often called the “Switzerland of Africa”, Arusha has beautiful museums and art galleries, as well as places to shop for local artwork (paintings, sculptures, masks) as well as jewelry (TANZANITE, etc.)
- **Ngorongoro / Karatu:** Often called “The Garden of Eden” because of the variety and density of wildlife, the Ngorongoro Crater is one of the most breathtaking places in the world. It has been designated a UNESCO World Heritage Site – for good reason. Karatu is a beautiful town located in the Ngorongoro Highlands.
- **Serengeti National Park:** In the Maasai language, “Serengeti” means “Endless Plains”. And that is exactly what this most famous of African parks is...a very large savannah/grassland area that is teeming with all the iconic African wildlife species living in an unadulterated, natural habitat. The location of several National Geographic shows and specials, Serengeti is also home to The Great Wildebeest & Zebra Migration!
