

VOLUNTEER ONBOARDING PROCESS

APPLICATION

To become a volunteer, please first complete the online volunteer application [here](#).

ORIENTATION

Upon completion of the application, a link to an orientation module will be provided. In this module, you will learn more about CIS and our volunteer programs.

SCREENING

After successfully passing the orientation module, you will be asked to schedule and participate in a 30-minute screening interview.

TRAINING

Following the screening, you will be required to attend an hour-long training.

BACKGROUND CHECK

In order to be eligible to volunteer, you will be requested to submit a criminal background check. In the event that a criminal record is found, you may be contacted to discuss the results and asked to provide additional information.

MATCHING

Upon clearance of your CBC, you will be assigned to a campus based on your location preference and campus needs.

CAMPUS ORIENTATION

Before beginning your volunteer service, you will receive a campus orientation where you will learn more about your Program Manager as well as discuss scheduling and campus protocols.
