

AMPLIFY YOUR CIS INTERNSHIP WITH AMERICORPS!

As of Fall 2024, all eligible CIS interns are required to enroll in the AmeriCorps Education Award Only (EAO) member role during their internship.

Through this role, you'll earn money towards school while completing your already required internship AND have access to additional support, training, and advantage in the CIS hiring process.

*Earn \$1,956.35!**

*The Segal Education Award can be used to pay qualified student loans or educational expenses within 7 years. Earn \$1,956.35 through the 450-hour service term.

1 Am I eligible?

All interns who meet the following criteria will be enrolled as a CIS EAO intern:

- University internship requires at least 280 hours
- Intern is not receiving federal work study funding from your university
- Intern is a U.S. citizen, U.S. national, or lawful permanent resident of the United States
- Intern has not already served in 2 previous terms of service earning the value of 2 full-time education awards

2 What if I do not qualify for EAO?

Interns who do not qualify for the EAO role can still intern with CISCT. These interns will not be able to participate in the EAO role nor will they receive the Segal Education Award.

3 What other requirements are there?

- Complete a separate AmeriCorps background check and fingerprinting prior to service at no out of pocket cost.
- Complete AmeriCorps trainings.
- Submit monthly AmeriCorps timesheets & weekly supervision templates.

4 How do I make this happen?

CIS interns will receive enrollment instructions for their 450-hour service term after they have been officially placed at a CIS campus.
